

風邪、その後に

IF YOU  
COULDN'T RELY  
ON ME?

THAT'S TOTALLY FINE.  
WHAT KIND OF FRIEND  
WOULD I BE...

Mans, short for Manami, has been my friend since middle school.

I started living by myself a little earlier, but Manami, following suit, started living by herself since spring.

We attended the same high school and now, as a matter of course, we go to the same college.

We like the same things, we went to the same club and we spend most of our holidays together.

Manami was of the opinion that learning to be independent is very important, and I respect that.

*Rub*

I brought up the idea of becoming roommates, but...

I'LL MAKE SOME RICE PORRIDGE IN THE MEAN-TIME.

It's  
leave  
the  
bottle  
on your  
bed

DRINK THIS WATER, AND GET SOME SLEEP.

THANKS,  
NAHO.

HM-  
HAM.

*Smile*

This morning, she e-mailed me that she had a cold and was unable to attend lectures.

It hasn't even been that long since she started living alone and...

As soon  
as I saw,  
I headed  
over to  
her room.

And I took  
it upon  
myself to  
nurse her.

Manami told  
me not to  
come because  
I might get  
infected...

But knowing  
how lonely and  
insecure it is to  
be bedridden  
while living  
alone I couldn't  
leave her be.

Well,  
rather...

My  
precious,

precious  
friend.

I could never  
leave Manami  
alone, period.

Rattle

Bink

CAN YOU  
EAT?

ARE YOU  
HUNGRY?

NAHO...

Rattle

And I've  
seen her  
naked  
plenty  
of times  
before.

C-calm  
down!

Seeing  
your friend  
naked is  
nothing to  
get nervous  
about!

Now if I  
don't hurry  
and give  
her her  
change of  
clothes...

*Badump*

*Badump*

She'll  
think...

*Badump*

*Peak*

I'm  
weird.

IT DOESN'T  
REALLY MATTER  
WHICH T-SHIRT,  
YOU KNOW.

NAHO?

I'm  
weird.

The hot breath  
escaping from  
her mouth.

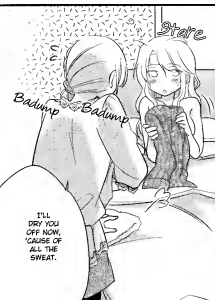

It's all  
so very  
erotic.

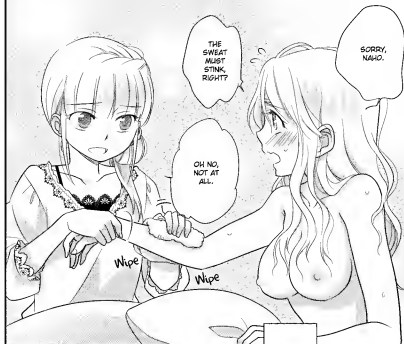

NAHO?

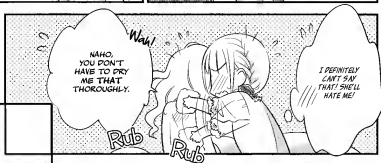

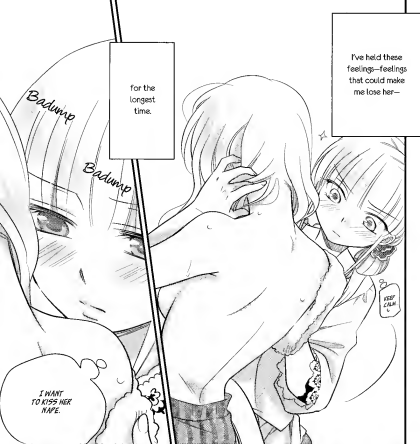

With her  
soft-looking  
skin and sweat-  
drenched hair.

Aah,  
geez!

Her face  
red from  
fever, her  
eyes wet.

I HOPE YOU  
GET BETTER  
SOON.

ALL RIGHT. THIS  
WAS ALL I HAD, SO  
I'M READY TO GO.

Dear Mana.  
I made some more rice porridge  
for you, it's in the pan.

And in the fridge is a peeled and  
cut apple for you. I also did  
laundry. Sorry if it was  
already clean.

I'll mail you! And if  
there's anything you  
want, let me know!

Nano

Aah...  
SHE  
LOOKS SO CUTE  
SLEEPING.

The feelings  
I have will  
come to  
nothing.

And so I  
can never  
tell her.

Badump

Badump

MOVE

On the  
other  
hand...

NAHO...

Sleepy

Shock

MOVES  
BACK

YOU'LL GET  
INFECTED  
WITH MY  
COLD.

She was  
awake, and  
heard me...?

When I  
told her  
I like her.

Ba-thump

Ba-thump

Ba-thump

But... even if  
she heard...

Mana would  
think I meant  
that I like her  
as a friend.

NAHO!

I-IT'S NOT  
THE KIND OF  
"LIKE" YOU'RE  
THINKING OF!

U-just  
so you  
know!

That should  
have made me  
feel at ease,  
and yet...

Startled

Ba-dump

Ba-dump

Stands up

I-I GOTTA  
GO HOME  
NOW! TAKE  
CARE!

Why did  
I have to  
say that.

I'm such  
a fool.

Clang

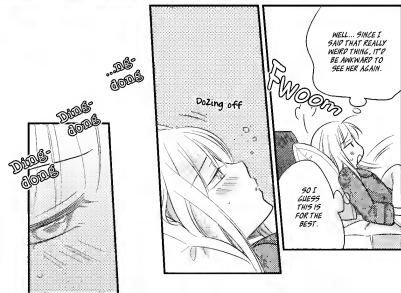

AND...  
IRONICALLY,  
I DID END UP  
WITH A COLD  
MYSELF.

Haah...

Beep

38.8°C

I TOLD  
HER I'M TAKING  
TODAY OFF COLLEGE  
AND ASKED IF SHE'S  
OVER HER COLD.

...ding-  
dong

Ding-  
dong

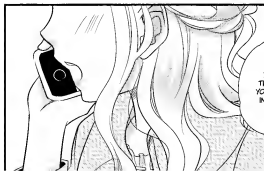

Ding-  
dong

Doozing off

Fwoom

WELL... SINCE I  
SAID THAT REALLY  
WEIRD THING, IT'D  
BE AWKWARD TO  
SEE HER AGAIN.

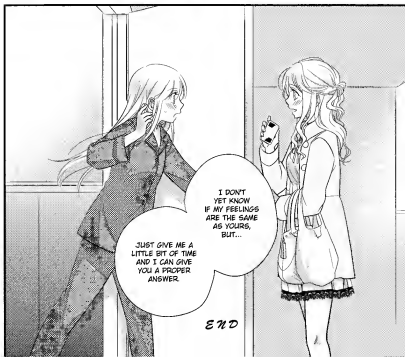

SO I  
GUESS  
THIS IS  
FOR THE  
BEST.

IT'S ALL  
THANKS TO  
YOUR NURS-  
ING, NAHO.

THIS  
MORNING MY  
TEMPERATURE  
WAS NORMAL  
AGAIN AND I  
WOKE UP FULL  
OF ENERGY.
